

cromox[®]

PREMIUM BRAND OF KETTEN WÄLDER GMBH

Hoist Trolley **CHT**

Grade 60, AISI 316L, tested

LIFTING SERIES

The cromox[®] all stainless steel hoist trolley moves the load to different positions along the beam. The hoist-trolleys are designed for load capacities from 0.63 t to 3.0 t for use together with the cromox[®] chain hoists.

The cromox[®] all stainless steel hoist trolleys and patented chain hoists from Ketten Wälder GmbH are manufactured with highest quality materials to provide a reliable and safe working product. They are specially designed for the most demanding industrial applications and offer solutions for a wide range of requirements. The products benefit from the company's many years of experience and technical expertise, guaranteeing optimum performance in the most challenging environments.

Type	WLL [t]	Dimensions [mm]									Weight [kg, approx.]
		a	x	b	c	d	e	f	s	t	
CHT	0.63 - 3.00	210	x	x + 100	164	40	28	11	10	83	7.0 - 8.5

Ambient temperature: -40 to +60 °C | Maximum relative humidity: 100 %

Application in corrosive environment: possible | Application in ex zone: after consultation with manufacturer

Tested acc. to DIN EN 13157

Different attachment points and endstops according to customer requirements available

Produced acc. to customer beam dimensions

cromox[®] products are developed and manufactured by Ketten Wälder GmbH, headquartered in Germany.

The cromox[®] stainless steel range of products use the highest levels of design, materials, and manufacturing processes to produce the best performing products for use in the harshest environments. Ketten Wälder GmbH is Lloyds Register approved manufacturer with LR certified proofing laboratory. The stringent testing procedures ensure cromox[®] products are manufactured to the highest quality.

Ketten Wälder's full membership at LEEA guarantees consistently high standards of quality and safety.
